

IMPORTANT: READ BEFORE PAYING (TERMS & CONDITIONS)
Beatport Traxsource Juno Top 100 / Hype / Releases promotions

- Get right into your TOP100 promotion Beatport or Traxsource or Juno Top 100 / Hype / Releases
- Reaching a range position between **100** to **70** with our exclusive method (S.S.S.)

The track will be placed in the chart at least for one day.

- With this promotion, we take the responsibility for the ranking of the track/s and you will be updated about the result.
- If you purchase the official top 100 chart promotion and the track gets inside the hype chart instead of the official and after 3/7 days does not climb into the official, or is going out, from the hype we can decide, to give you back the difference between the price of the official and the hype, and the promotion is ended.
- Once you get in the chart, to keep the position, we continue your promotion only for one day.
- To keep on climbing you can grab this promotion MULTIPLE DOWNLOADS.
- The Track/s must be brand new, not older than 1 day, and never been already charted. If the track does not follow these rules, in this case, we do not take any responsibility and we can decide to stop the promotion with no refund.
- If the store has any issues, not sending receipts, updating the website, or being out of order during the promotion time-lapse, we consider compromising the entire promotion, in this case, we do not take any responsibility and we can decide to stop the promotion with no refund.
- Your label should be subscribed to Beatport Hype for Labels <https://hype.beatport.com> and your artist page <https://www.beatport.com/artist/eats-everything/108785> should be completed with pic and bio, if you do not follow the above-mentioned rules, in this case, we do not take any responsibility and we can decide to stop the promotion with no refund.
- Customer care service available 24/7
- Safe Secure Satisfaction
- Delivery time: 2-10 days.

Paying the invoice, you will automatically agree to the term & conditions
